..The.. Siebenthaler Company NURSERYMEN

Siebenthaler Avenue and Catalpa Drive
DAYTON, OHIO

Established 1870

LOCATION: Our nurseries are located three and one-half miles northwest of the center of Dayton on the corner of Siebenthaler Avenue and Catalpa Drive.

To reach the nurseries by Trolley: Take north-bound Peoples Railway Car to Siebenthaler Avenue, then one-third mile west; or take north-bound Dayton Street Railway Car to loop [Catalpa Drive] and walk one mile due north.

To drive to the nurseries: Out North Main Street to Siebenthaler Avenue and one-third mile west; or north-west on Salem Avenue to Catalpa Drive and one mile north.

Local and Long Distance Telephone
RAndolph 1154

DIRECTIONS FOR ORDERING: Write plainly and give explicit directions as to address and mode of shipment. Shipments will be forwarded exactly as directed, but in the absence of specific instructions, we will use our best judgment and forward by the shortest and safest route. We recommend that all herbaceous plants be shipped by express. All shipments travel at the risk and cost of the purchaser.

PRICES: Prices in this list cancel all previous lists and quotations and are subject to change without notice. These prices include packing costs, except on excessively bulky pieces, for which cost of packing will be extra. These prices are F. O. B. our shipping station or for local delivery they are F. O. B. customer's place if within 10 miles of our nurseries on all orders of Ten Dollars or more. Arrangements can be made for distance deliveries by motor truck, if desired.

QUANTITY: At the prices named herein 5 plants will be furnished at the 10 rate; 6 at the 12 rate and 25 at the 100 rate.

TERMS: Cash with order, except to persons who satisfy us as to their responsibility, when accounts will be due in 30 days from date of invoice.

INSPECTION: Our plants are regularly inspected and a certificate of inspection will be attached to each shipment.

GUARANTEE: All plants are warranted true to name, full count, up to size specified and in good, healthy condition when shipped. Any plant proving otherwise will be replaced or the original amount paid will be refunded. Our stock is of the highest grade, thrifty and well grown, insuring its success if properly cared for after transplanting. As we have no control over its usage after it leaves our hands, properly packed and in good condition, we can not guarantee it to grow; however, any just complaint will receive our utmost consideration. All complaints of error on our part, except that of untruthfulness of name, must be made within five days after receipt of goods. **PLANTS ARE LIVING ORGANISMS and THEIR SUCCESS DEPENDS UPON THE CARE YOU GIVE THEM. TREAT THEM WELL** and do not hesitate to confer with us, at any time, regarding the care that should be given them. **WE WANT THEM TO GROW AND THRIVE FOR YOU.**

LANDSCAPE SERVICE: We maintain a thoroughly trained landscape organization, equipped in every respect from the drawing of plans to their execution.

PLANTING: At a slight additional charge per plant we are equipped to plant upon your grounds, within a radius of fifty miles from the center of Dayton, any of the stock named in this list.

SUMMER PLANTING: An extra charge is made for balling deciduous plants not marked B&B, either in dormant season or when in full leaf for summer planting.

EVERGREEN TREES

Our Evergreens have been transplanted frequently and many have been sheared, insuring a mass of fibrous roots and well-shaped tops. Prices include balling and burlaping.

LARGE TREES

We are prepared to furnish and move trees of large size. The caliper measurement is taken at a point twelve inches above the ground surface. The prices quoted below include moving with a large ball of earth and are subject to deviation, dependent upon conditions at point of location, distance, etc.

THE FRUITS

All of our fruit trees are carefully grown, true to name, healthy and well formed. They are graded according to the Horticultural Standards of the American Association of Nurserymen. The caliper is taken two inches above the bud. Unless specially mentioned the apple, cherry, plum, pear and quince trees are two years old and the peach trees are one year old.
